Funeral from her late residence, No. 154 Calvary Cemetery.

Demoniality, which was written in the seventeenth century by a priest called Sinistrapari. It is a very old and very rare book, and it would probably be impossible to get two more copies in the United States. One copy is owned by the Scottish Rite Hall library in this city. This book gives a full history of those strange beings known as Incubi and Sussuhl, the male and female creatures which are perceptible only to the psychic, but whose love affairs with beings of this mundane sphere have become so famous that to be an incubus is one of the reproaches of modern times, though but few ever imagined the origin of the word. The book was put on the Index Expurgatorius or one of the Popes, but one copy fell into the hands of an antiquarian, from whose library it has descended as one of the literary curiosities of the age.

League and the Cuban National Party have offered to Gualberto Gomez and Genderal Maximo Gomez the joint Presidency. The offer has been declined by Gualberto Gomez, who says he wishes to keep his independence, and will not join any party at present.

The new combination of the National League and the Cuban National Party have offered to Gualberto Gomez, who says he wishes to keep his independence, and will not join any party at present.

The new combination of the National League and the Cuban National Party have offered to Gualberto Gomez, who says he wishes to keep his independence, and will not join any party at present.

The new combination of the National League and the Cuban National Party have offered to Gualberto Gomez, who says he wishes to keep his independence, and will not join any party at present.

The new combination of the National League and the Cuban National Party have offered to Gualberto Gomez, who says he wishes to keep his independence, and will not join any party at present.

The new combination of the National League and the National Party intend, it is announced, to invite all outsiders whe hitherto have made no declaration of their policy, or whose declarations have been

organization, as, like Gualberto Gomez. they prefer to await the outcome of

"Let bad feeling be put aside," says Nuevo Pais, "but there is no use in pre-tending to believe in this farcical union."

## ket was in the preferred and common issues of the Distilleries Company of issues of the Distilleries Company of America, Insiders appear to be quietly absorbing the stocks without attempting to advance the quotations. The copper shares were rather heavy, except Union Copper, which was unusually buoyant, rising 4 points in the bid price to 20. Havana Commercial common and Royal Baking Powder preferred were strong and Rubber Goods issues weak. Following were the closing prices as reported by George S. Lancon & Co., of No. 27 William street: MARITIME NEWS.
